Malt Products Corp. Launches New Website with Enhanced User-Experience

MPC is proud to announce the recent relaunch of maltproducts.com, a new, mobile-friendly website featuring increased functionality and robust content, designed to help food and beverage manufacturers quickly and easily find the best sweetener and grain-extract solution to meet their needs. The site also provides a sneak peek inside the state-of-the-art plant in Dayton, OH and links to the new International Molasses website that debuted in the summer of 2020.

According to Amy Targan, President of MPC, "These new websites, along with our newsletters, are part of our ongoing commitment to ensuring that our existing and potential customers are fully aware of our latest product offerings, corporate capabilities, R&D investments and company news."
